SATURDAY SELECTS

Week of November 9, 2020

by Jill Singer

*A weekly Saturday recap to share with you our favorite links, discoveries, exhibitions, and more from the past seven days. This week: new candleholders to light your *please god* tiny and intimate holiday dinners, extremely cool new knives, and a vintage accessories drop happening Monday that you won't want to miss.*

Exhibitions

Mimi Jung's delicate mohair fiber works get a splashy new palette in her first solo New York exhibition, called *The Subsuming Ellipse*, at [Carvalho Park](#) gallery in Bushwick; we particularly love the yellow, its paleness calling to mind the works of Agnes Martin.
